

Application for Movement of Agricultural Products by a Nonresident

For County Use Only
License No _____
Mo/Yr of Exp _____
Date Issued _____

General Information and Requirements

A Nonresident Agricultural Products Receipt may be issued only to non-Texas residents engaged in the harvesting and marketing of agricultural products produced in Texas or produced outside of Texas when the products are to be marketed or processed in Texas. A permit receipt will not be issued to a vehicle previously apprehended for a registration violation. Other requirements:

- Liability insurance coverage is required to legally operate a motor vehicle in Texas. Operators must provide proof of financial responsibility (insurance) issued by an agent, company, or surety company authorized to write liability insurance in Texas. Coverage obtained outside of Texas or the country must meet minimum liability amounts as required by Texas law.
- Registration must remain current and the vehicle must comply with inspection requirements of the home state or country.
- The permit receipt must be carried in the vehicle.

IMPORTANT: This registration is valid only for the vehicle shown for a 30-day period and cannot be transferred to another vehicle. A Texas title will not be issued based on this registration. No more than three permit receipts may be issued to a nonresident owner during any 12-month period.

Source of Agricultural Product

The agricultural products to be transported were produced (select one):

Within the State of Texas - Permit receipt issued only to non-Texas residents engaged in the harvesting and marketing of agricultural products produced in Texas and/or transport of machinery used to harvest the products. Permit receipt is valid within 75 miles from the place of production to the place of market, storage, or railhead.

Outside the State of Texas - Permit receipt issued only to non-Texas residents engaged in the harvesting and marketing of agricultural products produced outside of Texas when the products are to be marketed or processed in Texas. Permit receipt is valid within 80 miles from the point of entry into Texas.
