Legislation Enhancements in RTS POS 10.2.0

LACE-8148 Motor Vehicle Dealer Surety Bond Amount Update [House Bill 3533]

House Bill 3533 changes the Motor Vehicle Dealer Bond amount from \$25,000 to \$50,000. Beginning September 1, 2021 all applicants and dealers applying for a new General Distinguishing Number (GDN) Dealer's license, and renewing a GDN license, are required to submit bonds in the new amount of \$50,000. This applies to all GDN license types EXCEPT travel trailer and trailer/semitrailer licenses.

RRTS-28923 New TERP Title Fee Account Item Code (House Bill 4472)

House Bill 4472 requires the \$15 or \$20 portion of the title application fee to be deposited to the credit of the Texas Emissions Reduction Plan (TERP) Fund in lieu of the Texas Mobility Fund. To support this, all title application fees collected on or after 09/01/2021 will use the new account item code and funds category code: TERP TITLE FEE.

There is no change to the funds distribution to the comptroller for ensuring the fees are deposited to the proper fund.

Fee screens and reports will reflect the new TERP TITLE FEE account item code for the applicable portion of all title fees collected on or after 09/01/2021.
