Subject: Protest Rights Formal Opinion

Ms. Carmona,

The Texas Recreational Vehicle Association (TRVA) has reviewed the request for a formal opinion presented by the Texas Automobile Dealers Association (TADA) regarding the protest rights for licensed and franchised engine, transmission, or rear axle dealers.

We find that we are in complete support of the TADA request and wish to go on record as being in favor of the request for a formal opinion.

Should questions arise, please do not hesitate to contract me at the TRVA office and thank you for allowing TRVA to provide this input.

Regards,

Phil Elam
Texas RV Association
