## Don't get taken for a ride.

It's a big deal to get a new set of wheels. So don't let anyone take you for a ride on your buy. Go to Title Check at **www.TxDMV.gov** to connect to the national motor vehicle database. That's where you'll learn whether the used vehicle you're eyeing was ever salvaged, rebuilt or flood damaged. It'll only cost you a couple bucks, but spending a little now can save you a lot in the future.
