REGISTRATION FEE	INSPECTION FEE*	PROCESSING AND HANDLING FEE	LOCAL FEES
<p>The registration fee supports the construction and maintenance of the state's transportation system and county roads and bridges. The registration fee varies by vehicle weight. The typical registration fee is \$50.75 plus the \$1 DPS fee.</p> <p>Registration DPS Fee: The \$1 fee goes toward maintenance and operation of the Insurance Verification Program (TexasSure) and is also used to support the Texas Department of Public Safety's driver license and personal identification certificate system.</p>	<p>The state portion of the inspection fee is appropriated to several funds including Texas Mobility, Clean Air, Texas Emissions Reduction Plan, and Low Income Repair Assistance Program. The fee is based on the inspection type the vehicle received and may be up to \$30.75.</p> <p>*Inspection stations assess their service fee separately at time of inspection.</p>	<p>The \$4.75 processing and handling fee covers the costs of processing your vehicle registration. These costs include state and county services, printing of annual renewal notices, registration stickers, and other related services and materials.</p>	<p>County Road & Bridge: Counties may charge up to \$10. All of the fee is deposited in your county's Road & Bridge Fund.</p> <p>Optional County Fee for Transportation (Mobility Fund): Counties may charge up to \$20 to fund long-term transportation projects.</p> <p>Child Safety: Counties may charge up to \$1.50 to promote child safety programs, including health and nutrition education and school crossing guards.</p>
