

TxDMV Corpus Christi Regional Service Center Relocation

The Texas Department of Motor Vehicles' (TxDMV) Corpus Christi Regional Service Center will open in a new location at 602 N. Staples Street on Monday, April 3, and it is important for customers to be aware of this change.

The current location at 1701 South Padre Island Drive will close at the end of the business day on Friday, March 31, and staff will move over the weekend so there will be no interruption in service to customers.

The Corpus Christi Regional Service Center serves the following counties: Aransas, Bee, Calhoun, Duval, Goliad, Jackson, Jim Wells, Karnes, Kleberg, Live Oak, Matagorda, McMullen, Nueces, Refugio, San Patricio, Victoria, and Wharton. Services provided at the center include replacement titles, bonded title rejection letters, apportioned registration and annual permits for motor carriers, and the investigation and resolution of vehicle title errors.

Please note that most vehicle title and registration services including title applications and registration renewals are processed by the county tax assessor-collectors' offices in each county, and driver licenses are issued by the Texas Department of Public Safety.

New Location Effective Monday, April 3
