

New Online Licensing System (eLICENSING) Coming Soon

Texas Department of Motor Vehicles
HELPING TEXANS GO. HELPING TEXAS GROW.

This message contains information applicable to all motor vehicle licensees and salvage dealers regulated by Texas Department of Motor Vehicles (TxDMV). Please review and distribute as appropriate.

Coming soon, you will be able to apply for, renew, or amend licenses online. The Texas Department of Motor Vehicles (TxDMV) is replacing its current paper-based licensing system with eLICENSING, an online self-service hub for all motor vehicle and salvage licensees operating in Texas.

eLICENSING will provide many user benefits, including 24-hour access to licensing information, the elimination of paper processing, the ability to submit license applications and payments online, a guided application process facilitating faster approvals, and the ability to track the progress of submitted applications.

TxDMV will provide instructions and other support resources to help you access and use the system as the release date approaches. **Licensees must have an email address on file with TxDMV to receive important updates and use the new system.** Licensees can receive more information by emailing TxDMV at MVDLicensing@TxDMV.gov, calling 1-888-DMV-GOTX (368-4689), or visiting our website at www.TxDMV.gov/dealers.

Sincerely,

Daniel Avitia

Lessors/Lease Facilitator Instruction Packet

Purpose:

- This instruction packet is the companion to Forms LF501 & LF502, *APPLICATION FOR MOTOR VEHICLE LESSOR LICENSE* and *LEASE FACILITATOR LICENSE*.
- **Lessor License:** This license is required of a person who gives another person the right to possess and use a motor vehicle (under the terms of a lease agreement in excess of 180 days) that is titled in the name of the lessor. The initial fee for a lessor license is \$350. Note: A lessor does not need to have a lease facilitator license to facilitate leases for themselves. The lessor may facilitate its own leases. However, if the lessor facilitates leases for other lessors, they would need a lease facilitator license.
- **Lease Facilitator License:** This license allows a person to be a leasing agent for a leasing company. The lease facilitator solicits persons to become the lessee of a vehicle. A lease facilitator does not title the leased vehicle in his or her name, but merely acts as an agent procuring a person to enter into a lease contract. A lease facilitator is not the lessor or owner of a vehicle, but rather someone who puts the lessor and lessee together. The initial fee for this license is \$750.

Important:

When applying for a license, **PLEASE DO NOT WAIT** until the last minute to file. File early to alleviate delays.

1. **The following pages guide you through the application step by step. Please read the instructions carefully and contact us if you have any questions.**
2. **Be sure to attach all required documentation. All items should be completed or marked “N/A” (not applicable) and include why the requirement is not applicable.**
3. **A license will not be issued until an applicant has met all the requirements.**
4. **Make sure that each document you submit shows your business name and DBA.**

Licensing Notes:

- A “motor vehicle lease” is a transfer of the right to possess and use a motor vehicle for a term in excess of 180 days, in return for consideration.
- All licenses are issued for a term of two years.
- Exemptions:
 - A franchised dealer is not required to have a vehicle lessor or vehicle lease facilitator license to lease motor vehicles. However, the franchised dealer may only lease motor vehicles owned by the dealer and of a line-make the dealer is licensed to sell.
 - A person/entity is not required to obtain a license to act as a vehicle lessor or a vehicle lease facilitator only in certain situations set forth in Occupations Code §2301.254.
- If you are a lessor and wish to have multiple satellite locations, see Attachment E for details.
- Chapter 215, Motor Vehicle Distribution Rules, and Chapter 503 of the Texas Transportation Code contain more details related to licensing. They are available online at: <http://www.txdmv.gov/statutes-and-rules>
- You can find more about the Dealer License Application Process and Application Tips online at: <http://www.TxDmv.gov/dealers>
