Logging In and Accessing the Dashboard

Open a browser window and go to the following URL (or click this link itself):

<https://learning.txdmv.gov>

At the landing page, click Login at the upper left of the screen.

Enter your User ID and password and click the *Login* button. Note: At initial log in your password is the same as your user ID.

Once you have logged into the LMS, go to the bottom of the home page and click on **Dashboard**. On the Administration Dashboard screen, you will see two categories to navigate **User Management** and **Reports**.

The screenshot shows the 'Administration dashboard' page. At the top, there is a breadcrumb trail: 'TxDMV Learning Center > Administration > Reports > Dashboard'. The main content area is titled 'Administration dashboard' and is divided into three sections: 'Help', 'User management', and 'Reports'. The 'Help' section contains a link to 'Documentation'. The 'User management' section contains links for 'Add new student', 'User list', and 'Assign user roles/classes'. The 'Reports' section contains a numbered list of four items: '1. Student transcripts', '2. View scores and completion for your employees', '3. Scores and completion by hierarchy', and '4. Overall view of completion/scores'. On the right side, there is a 'Site Administration' sidebar with a tree view containing 'Users', 'Front Page', and 'Reports'. Under 'Reports', there are sub-items: 'Course overview', 'Dashboard', 'DMV Student Transcript', 'DMV Employee Scores', 'DMV Scores by Hierarchy', and 'DMV Module Scores Overview'. Below the sidebar is an 'Admin bookmarks' section with a 'bookmark this page' link.

NOTE: Click **Documentation** for online help.

Problems with Passwords and Logins

Use these procedures if an employee reports a problem with their password.

1. Log in to the LMS.

<https://learning.txdmv.gov>

2. Once you have logged into the LMS, go to the bottom of the home page and click on **Dashboard**.

TxDMV Learning Center > Administration > Reports > Dashboard

Creating a New Student User

To create a new student user:

1. Under the **User Management** category, click the “Add New Student” label.
2. In the **Add A New User** screen, enter your student’s information as follows:

Note: all items with an * are required fields.

General:

- a. Username: This should be all lowercase with a limit of seven of characters. However LMS Usernames are unique, so some users may also have to use numbers.
 - i. If you are TxDMV, then use the employee’s User ID from GroupWise.
 - ii. If you are County Admin, then use employee’s first initial, followed by surname, up to six characters.

Additional

DMV Division N/A ▾

DMV Section RSS-2 ▾

DMV Region AU ▾

County and Number Travis - 227 ▾

Substation N/A ▾

Years of Experience 5-10 ▾

Employee Start Date (MM-DD-YYYY) 06-15-2004

Comment

- b. If you encounter an error message with your choice of UserName, go to the “Show Advanced” screen option and filter by that persons first 5-6 letters (ex: csmith). If there are multiple users with that UserName, add additional filters using numbers. For example if there are 5 csmith’s already in the LMS, try using csmith6. If the LMS does not return a list of users, you are ok to apply that UserName.
- c. New password: For the initial password, we typically repeat Username; however, you may make another choice for your staff. Be sure to click the next box **Force password change** so your students will be prompted to create their own password at their first login.
- d. Enter student’s first name, surname and e-mail address. If students do not have their own e-mail, then enter an LMS dummy e-mail address: [LMStest@co.\[COUNTY_NAME\].tx.us](mailto:LMStest@co.[COUNTY_NAME].tx.us). By using the County name, this may help Admins with future search efforts.
- e. Ignore the next three items in this block and enter the City/town of the user’s primary work location. (ex: Travis Co. Substation #3 is in Oak Hill).
- f. Continue to the **Additional** block.

Additional Options:

Optionally, you may choose from the applicable drop-down menu choices, depending on whether you are TxDMV Division or Region, or County staff.

- g. TxDMV Options: Division, Section, Region, Years of Experience (can include non-current position info), Employee Start Date (with current entity).
- h. County Options: Select N/A for DMV Division, and either RSS-1 or RSS-2 for Section – the RSS choice will determine which Regional choices will appear in the Region drop-down options. Select the appropriate Region, County and Number, Substation (if applicable), Years of Experience (can include non-current position info), Employee Start Date (with current entity). If the user works primarily at the **main office** for a county choose **N/A** for the substation choice.

Enrolling Students

Your employees will self-enroll in any of the current non-restricted courses, by entering the course silo (e.g.: Registration, Titles or Other), and clicking on the red “[Enroll Now](#)” link.

Registration

These topics range from basic registration concepts to complex registration transactions using the Registration and Title System.

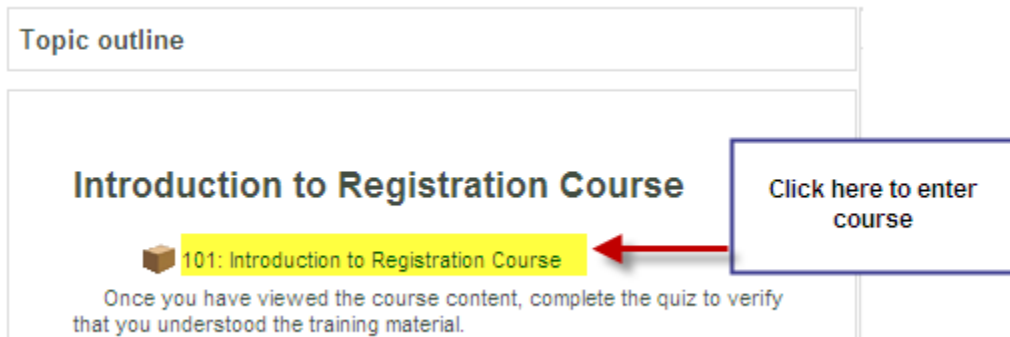

101: Introduction to Registration

This course will take approximately 15 minutes to complete.

[Enroll Now](#)

Student enrolls in course by clicking here.

Their next step is to click on the title name, which will take them into the course.

Topic outline

Introduction to Registration Course

101: Introduction to Registration Course

Click here to enter course

Once you have viewed the course content, complete the quiz to verify that you understood the training material.

It is important to remember that they will need to go through each slide and each activity within the slides wherever specified, for the LMS to recognize that they have successfully completed the course. If the LMS does not recognize course completion, they will not be able to access the quiz for that course.

Viewing Student Reports

There are currently four report choices to view within the LMS, as follows:

- Student Transcript
- View scores/completion for your employees
- Scores by hierarchy
- Overall view of completion/scores

Student Transcript

From the Administration Dashboard screen, under the **Reports** category:

1. Click on **Student Transcript**.
2. Choose your student's name from the drop-down choice list and click on the **View** button.
3. You will see a transcript record that displays which courses this student took on which dates, their highest score, the number of attempts at that quiz, the time it took them to complete the course, or their completion status, and which questions were missed.

Student transcript

[Dashboard](#) [Student transcripts](#) [Employee Scores/Completion](#)
[Scores and completion by hierarchy](#) [Overall view of completion/scores](#)

Student:

Quiz name	Score	Completion	Access Times	Completion date	Time to complete (minutes)	Missed questions
What you need to register (Quiz)	0	0%	0	Not completed	Not completed	
Introduction to Registration Quiz	87	100%	2	09-20-2010	2	6, 7
Registration Basics Quiz	90	100%	3	09-20-2010	2	35, 37, 39, 41

Course	Completion	Access Times	Total time	Date first access	Date last access
Introduction to Registration Course	100%	1	0	09-13-2010	09-13-2010

4. If you click on the question number in the **Missed Questions** column, you will be taken to the Quiz Review results for that test, and you can see how the student answered all questions on that quiz.
5. To return to the Administration Dashboard screen continue to click on **Dashboard**. If you close out of this screen instead, you will have to log back into the system.

View Scores/Completion for Your Employees

From the **Administration Dashboard** screen, under the **Reports** category:

1. Click on **View scores/completion for your employees**.
2. Choose the appropriate categories from the drop-down menus.

(Example: Region = AU, County = Any, Experience = Any)

Region:
 County:
 Experience:

Name	Experience	Quiz name	Score	Completion
Alma Russell	10+	What you need to register (Quiz)	0	0%
Alma Russell	10+	Introduction to Registration Quiz	0	0%
Larry Gaddes	0-2	Introduction to Registration Quiz	94	100%
Larry Gaddes	0-2	What you need to register (Quiz)	100	100%
Larry Gaddes	0-2	Registration Basics Quiz	83	100%
Doris Brooks	5-10	Introduction to Registration Quiz	100	100%
Doris Brooks	5-10	What you need to register (Quiz)	97	100%
Doris Brooks	5-10	Registration Basics Quiz	100	100%
Raquel Luna	2-5	Introduction to Registration Quiz	100	100%
Raquel Luna	2-5	What you need to register (Quiz)	87	100%
Raquel Luna	2-5	Registration Basics Quiz	100	100%

3. You should see a list of all of your staff by name, Years of Experience, courses taken, scores and completion rate.
4. At this point you may either print the screen or download as an Excel file if desired.
5. To return to the Administration Dashboard screen continue to click on **Dashboard**.

View Scores by Hierarchy

From the **Administration Dashboard** screen, under the **Reports** category:

1. Click on **Scores and Completion by Hierarchy**.
2. Choose the appropriate categories from the drop-down menus.

(Example: Region = CC, Module = Any)

This should list all staff in that region by county, substation (if applicable), Quiz Name, Individual's name, their average score, and completion rate.

Scores by hierarchy (report 3)

[Dashboard](#) [Student transcripts](#) [Employee Scores/Completion](#)
[Scores and completion by hierarchy](#) [Overall view of completion/scores](#)

Division:

VTR	RSS-2	CC	All	All	All	All	79	77%

- To return to the Administration Dashboard screen continue to click on the back arrow. If you close out of this screen, you will have to log back into the system.

View Overall View of Completion/Scores

From the Administration Dashboard screen, under the **Reports** category:

- Click on **Overall view of completion/scores**.
- You will see a table display of all LMS users' average scores and completion rates by course.

Overall view of completion/scores

[Dashboard](#) [Student transcripts](#) [Employee Scores/Completion](#)
[Scores and completion by hierarchy](#) [Overall view of completion/scores](#)

Module	Average completion	Average score
Introduction to Registration Quiz	0%	76
What you need to register (Quiz)	0%	92
Registration Basics Quiz	0%	93

- If you click on a Course Title, you will be taken back to a display of Report #3, Scores by Hierarchy, for all of your students that have taken that course.
- At this point, you may download into an Excel file if desired.
- To return to the Administration Dashboard screen click on **Dashboard** at the top of the screen. If you close out of this screen, you will have to log back into the system.

System Requirements

All users should have the following hardware and software installed for best performance (Please check with your IT staff if appropriate):

Hardware

- CPU: 500 megahertz (MHz) processor or higher (32- or 64-bit)
- Memory: 256 MB
- Internet connection: Broad band - DSL or better (required for high-quality video)
- Screen resolution: at least 800 x 600 (1024 x 768 and up is better)
- Screen size: 15 inches recommended (the bigger the better)
- Audio: sound card or built in and speakers or headphones for listening

Software

1. Windows XP SP3 or later (32- or 64-bit), 2003, Vista (32- or 64-bit), or Windows 7 (32- or 64-bit)
2. Web browser (Internet Explorer 6 or higher, or Firefox, are recommended.)
3. Adobe Flash plug-in (can download free [HERE](#).)
4. Adobe Reader (can download free [HERE](#).)
5. Enable pop-ups to be allowed from LMS site only.

User Login Quick reference

Use these procedures the first time you log in to the TxDMV Learning Center.

1. Open a browser window and go to the following URL (or click this link itself):
<https://learning.txdmv.gov>
2. At the landing page (below), click **Login**.

Note: At you first login use the following for your user name and password:

- User Name – Your first initial, followed by the first six characters of your last name, in lower case. LMS User Names are unique, so check with your Training Administrator if your login name doesn't work.
 - Password – Your initial password will be the same as your login name in lower case (Note: Travis County user passwords only are in UPPER CASE at this time).
3. Enter your User name and password and click the **Login** button.

Note: If you have problems logging in, contact your county or regional training administrator.

4. At the prompt, change your password. Click **Save changes**, and **Continue**. Hint: use a password that is easy to remember.

You must change your password to proceed.

Change password

Username bsmith

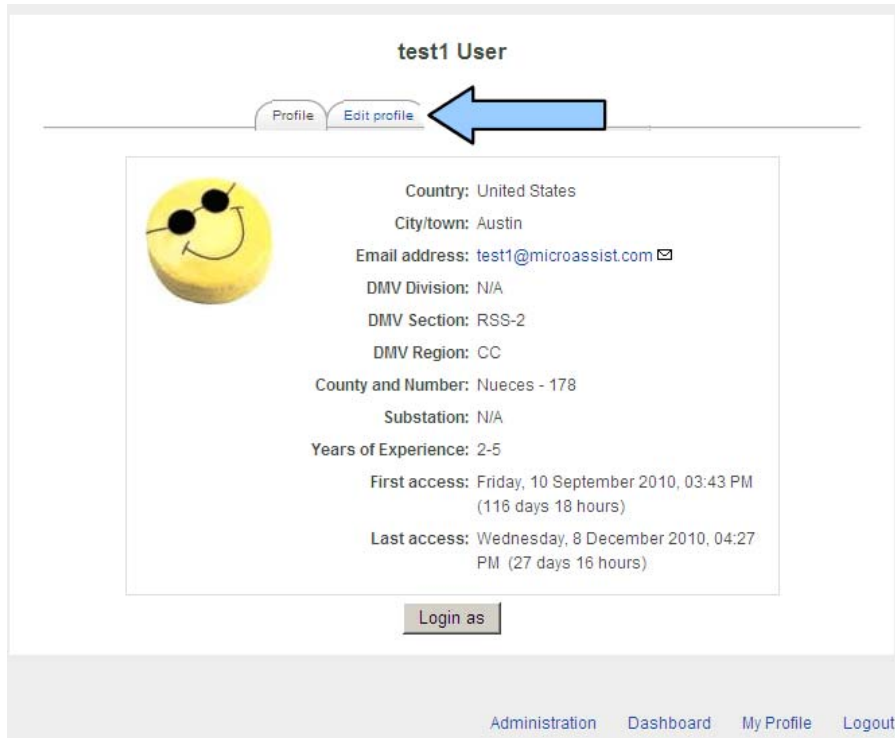

Current Password*

New password*

New password (again)*

There are required fields in this form marked*.

5. Your Profile then appears. If you have a personal e-mail address, click **Edit Profile**. If you do not have an e-mail address click on **TxDMV Learning Center** to return to the landing page. Hint: You can update your profile at any time by clicking on **My Profile** at the lower part of the landing page.

6. Enter your e-mail address and click **Update Profile**.
