"BUSINESS PREMISES" A business premises is a location where a regularly conducted commercial activity occurs, such as a bank, credit union, department store, strip mall parking lot, etc.

"OFFERS TO SELL" Any activity designed to promote, solicit, induce, influence or encourage a consumer to buy, through advertising or other marketing activity is considered an "offer to sell". It can be the simple writing of a price on the back of a business card and passing the card to a consumer, a banner across the top of a dealership, or a verbal communication of a suggested price to a consumer.

No pricing of any kind may be displayed on any vehicle unless it is furnished and preprinted with a price by the manufacturer or distributor, similar to the Monroney label required by federal law to be affixed to every new automobile until sold. If the manufacturer does not produce a pre-printed label containing a MSRP (Manufacturer Suggested Retail Price), then no price may be displayed. The only exception would be those vehicles approved to be sold at a show.
