DISABLED VETERAN SPECIALTY LICENSE PLATES

SUMMARY
According to the U.S. Census Bureau, 1.6 million veterans reside in Texas. The first military license plate in Texas was established for disabled veterans in 1972. The Texas Department of Motor Vehicles (TxDMV) continues to support our active duty, retired, and honorably discharged disabled veterans and their spouses, and we currently offer 87 license plates honoring their commitment and sacrifice. These plates commemorate each service branch, major military events, and include meritorious medal awards and service badges. Texas disabled veterans have used the plates in this catalog to register 323,000 vehicles. A separate catalog (Form VTR-427) features the additional 104 plates available exclusively to military veterans.

Please review Texas’ Disabled Veteran specialty license plate collection and corresponding plate application form to learn if you qualify for these license plates.

GENERAL REQUIREMENTS

- If the plate is to be registered to a vehicle that is not titled in your name, attach a statement to the application stating that you always have legal right of possession and control of this vehicle.
- Attach a copy of the lease agreement if the vehicle is leased.
- Joint vehicle ownership between you and your spouse is permissible.
- If you recently filed an application for title, attach a copy of the Title Application Receipt (VTR-500-RTS).

PERSONALIZE YOUR DISABLED VETERAN PLATE
If you would like to personalize your Disabled Veteran plate, there will be a $40 annual fee in addition to the annual registration fee (if required). The Application for Military Disabled Veteran License Plates and Parking Placards (Form VTR-615) is available online at this link: http://www.txdmv.gov/motorists/for-our-troops. Please be sure you carefully review your personalized plate selection(s) as refunds will not be issued. Your personalized selection will not be approved if it has already been issued or if it conflicts with the regular license plate numbering system. Your selection may also be declined based on the department’s personalization rules. A personalized plate may include any of the following characters: a letter, number, period, dash, star, blank space, Texas silhouette, or heart symbol.
