TxDMV opens new Houston Regional Service Center

New facility improves customer access and service capacity in the Houston region

(AUSTIN, Texas – December 10, 2025) The Texas Department of Motor Vehicles (TxDMV) has opened a second Regional Service Center in Houston, expanding access to more efficient motor vehicle services in one of the state's fastest-growing regions.

Located at 11720 West Airport Blvd., Suite 200, in Meadows Place, the new facility features upgraded infrastructure, a spacious customer waiting area with 19 service windows, and ample parking for both cars and trucks. All TxDMV Regional Service Centers provide the following services:

- Replacement titles
- Bonded title rejection letters
- Title history inquiries
- Title error resolution
- Apportioned registration for motor carriers
- Vehicle transfer notifications

The new Houston South Regional Service Center serves customers in Brazoria, Fort Bend, Galveston, Harris, Matagorda, and Wharton counties. The existing Houston North Regional Service Center will continue serving Austin, Colorado, Grimes, Montgomery, San Jacinto, Walker, Waller, and Washington counties, helping balance customer volume across the region.
