

TxIRP Individual Vehicle Distance Record (IVDR)

Record ALL miles the truck is driven on or off duty - NO gap miles.

Document odometer reading when crossing state/jurisdictional line, loading, unloading, or stopping for rest.

If additional space is needed, total the page and start a new sheet.

Follow month-end cut offs - record the last day of every month EVEN IF the trip is not complete.

Document the ending odometer and calculate mileage through that day, then start new sheet.

Calculate Jurisdictional total summary; Monthly, Quarterly, and Annual per Unit
