## About the Release

These Release Notes contain information about new features, enhancements, and reported issues resolved in this release of the Registration and Title System Point of Sale (RTS POS).

Release Notes are located under the **Release Notes & Support** tab on the TAC Hub ([www.txdmv.gov/tax-assessor-collectors](http://www.txdmv.gov/tax-assessor-collectors)).

## RTS POS Overview

The refactored RTS POS is a web-based application designed to process vehicle registrations, titles, and temporary permits for Texas motorists. RTS POS provides functions for cash accounting, funds allocations, and a full audit trail along with inventory control for license plates, windshield/plate stickers, and temporary permits.

### Getting Help

When logged in to the RTS POS, you can display reference information about using the RTS POS and get specific application-level help.

- To get application-level help, click **Help** on the page you are viewing.
- To see the entire user assistance web site, select **Help > User Guide** on the main page menu bar.

## Additional Resources

For additional resources for the RTS POS, see the TAC hub ([www.txdmv.gov/tax-assessor-collectors](http://www.txdmv.gov/tax-assessor-collectors)). Open the **Resources** tab, select **Publications & Manuals** | **TAC** | **RTS Support**.
