Texas Department of Motor Vehicles

Texas Commercial Motor Vehicle Weight Record

Texas Transportation Code §621.410

Applicability

Use this record when cargo, other than timber or another agricultural product in its natural state, transported by a commercial motor vehicle is weighed before or after unloading, unless an exemption applies. **Intermodal Shipping Container Port Permit holders are required to maintain this record regardless of whether an exemption applies.**

Weighing Record

Date of Loading or Unloading	☐ Loading ☐ Unloading	Cargo Weight (lbs.)	Total Number of Axles

Cargo Origin	Cargo Composition/Description

Person/Business Keeping This Records

Name/Business Name	Scale/Location (optional)
Prepared By	**Date Record Created**

Record Retention and Exemptions

Retention: Keep this record for at least 180 days after the date created. The records shall be available for inspection and copying by a weight enforcement officer on demand.

This section does not apply to a vehicle that:

- transports material regulated under Section 623.161;
- is weighed by a weight enforcement officer;
- is weighed on scales owned by the state or a political subdivision of this state; or
- is weighed on scales owned by an enterprise principally engaged in the retail sale of motor fuels to the general public.

This form is designed to capture the information required by §621.410(c).
